The City does not have a set bidder bond form. That is the answer. You can address that in the addendum.

Please advise. I'm not sure what a bidder's bond is or how to obtain this information for him.

Ok, thank you.

My other question is regarding the bidder's bond. I am not seeing a bidder's bond form in the spec book for the project but the spec book says that a bond form furnished by the city is required. Can you send me the form for the bidder's bond?

Good morning,

My name is Jahmarra and I am Jason's admin assistant. It's nice to meet you!

In order to get on the plan holders list you must create an account on virtual bids. Here is the link [www.virtual-bid.com](http://www.virtual-bid.com). After creating your account, you can use the "Search Bids" feature and enter "2025 Corridor Improvements Project" in the search bar. From there you can download and review the bid documents and doing so will place you on the plan holders list.

Doing so this way is also beneficial, as being listed as a plan holder ensures you'll be notified of any document updates or additions.

Please let me know if you have any further questions or comments.  
Thank you!

Best,
