**Subject:** 2025 CORRIDOR IMPROVEMENTS PROJECT (Bidder Inquiry)

Jason,

Inquiry #1:

- Please confirm the encroachment permit fee will be \$284 + 4% of the contract amount per the special provisions? For example, if we go off the engineers estimate for base bid then the EP would cost nearly \$182K. Is this correct?

Inquiry #2:

- Please confirm the wheel stop removal item for all the alternates does not include the installation as well. Per the bid item naming the installation is also included in the removals.

Thank You,

**Angel N. Sandoval**
