Subject: 2025 Corridor Improvements Project

Hello,

For the upcoming project 2025 Corridor improvements project, is signing up with the virtual-bid site what you need to do for the plan holders list? If not can we be added to the plan holders list with dan@donberryconstruction.com being the primary email on it?

Also for the project is there a special bidder's bond form furbished by the city?

Thank you,

Brendan Dorval
