Good afternoon,  
In order to review the bid documents for this project you would need to download them from virtual bids.  
Doing so this way is also beneficial as it places you on a list that will notify you if anything changes in the documents as you will placed on the 'plan holders' list.  
Please sign up for an account using this link: [www.virtual-bid.com](http://www.virtual-bid.com)

As far as your question about the engineers estimate goes, our team is working on a response, and we will get back to you with an answer as soon as we can.  
Please let me know if you have any further questions or comments.

Thank you!

Best,

Jason,  
Can you add us to the plan holders list, what is the engineers estimate?  
Thank you,
